Preparing Children
For A **Bright** Future

Who We Are

Our vision is to create a model school that inspires future leaders, enhances property values, and engages our community. We invest in students, teachers, and administration at Oak Grove School by funding initiatives focused on innovation, collaboration, creativity, and learning enrichment.

Why We Matter

We are strongly committed to supporting investments that matter for our children and educators. Our community has benefited from Oak Grove School's excellence in leadership and education, and OGSEF is passionate to ensure that excellence continues through financial and resource grants.

What We Do

We fund targeted program grants for Oak Grove School that focus on engaging, empowering, and inspiring children and teachers to advance to new levels of learning experiences. Funds are raised from community, individuals and businesses.

Grants are funded in our four areas of focus:

- Science STEM Programs **S.T.E.M.**
(Science, Technology, Engineering and Math)
- Arts and Language
- Helping Each Student Reach Their Potential
- Teacher Innovation & Creativity

What We Accomplished

OGSEF grants have provided Oak Grove School with opportunities to reach new heights in academic and community excellence. Thanks to your support, the Foundation funded over \$125,000 for projects and grants in the last five years.

About Oak Grove School

Oak Grove School District 68 educates more than 900 students in kindergarten through eighth grade. In addition to the core academic courses, the District offers a comprehensive educational program that includes classes in art, computer technology, drama, foreign language, music, and physical education. Oak Grove is known for focusing on the needs of the whole child—academic, social, and emotional. It is a school that lives up to its mission of "educating and inspiring all students to reach their full potential in an ever-changing world."
